Statement

This office is compliant with the GDPR.

Reasoning

- The gathered information will not be kept in the office after finishing the process. They will be always handed over to the applicant. If, however, the applicant fails to pick up their documents after the end of the running event, it
 - will be kept safe until the next event,
 - can be requested via the Chaos Computer Club Essen
- The information requiring the usage of the computer are always saved volatily for issuing the passport document.
